

CHEN Yulin

Associate Professor, Deputy Head

Department of Urban Planning and design, School of Architecture, Tsinghua University

Room 500, School of Architecture, Tsinghua University, Beijing 100084, China

Tel: 86-10-62783328

Fax: 86-10-62783328

E-mail: chenylun@mail.tsinghua.edu.cn

RESEARCH AND TEACHING INTERESTS

Theories and methods of human settlements sciences from a sociological perspective

Inclusive urban regeneration

Community life circle planning and evaluation

Engaged planning and governance

EDUCATION

2003-2010 Ph. D and Master of Engineer, Urban Planning and Design, School of Architecture, Tsinghua University

2003-2003 Visiting Student, Master of Architecture Program, Faculty of Architecture, University of Hong Kong

1999-2003 Bachelor of Architecture, School of Architecture, Tsinghua University

PROFESSIONAL EXPERIENCE

2026- Deputy Head, Department of Urban Planning and design, School of Architecture, Tsinghua University

2025-2026 Deputy Director, Urban Regeneration Planning Institute, Beijing Municipal Institute of City Planning & Design (on secondment)

2017-2018 SPURS Fellow, School of Architecture and Planning, Massachusetts Institute of Technology

2016- Associate Professor, School of Architecture, Tsinghua University

2012-2016 Assistant Professor, School of Architecture, Tsinghua University

2010-2012 Post-doctoral Researcher, School of Social Sciences, Tsinghua University

COURSES TAUGHT

Graduate Course

1. Planning Research Methods
2. Issues in Urban Sociology

Undergraduate Course

3. Advanced Planning Research (1)
4. Social Comprehensive Investigation and Research in Urban and Rural Areas
5. Introduction of Urban and Rural Planning
6. Basic Training of Urban and Rural Planning
7. Architectural Design
8. Residential Planning and Housing Design
9. Architectural and Urban Design

10. Urban Design
11. Graduation Design Studio of Town Master Planning
12. Graduation Design Studio of Urban and Rural Planning

RESEARCH PROJECTS

- [1] Pedigree Construction and Planning Governance of Urban Villages in Megacities Based on Multi-Source Data Integration: A Case of Beijing. The National Natural Science Foundation of China, 2025-2028 (PI)
- [2] Design Theory and Method of Urban Regeneration. National Key R & D Project, 2022-2026 (sub-task leader)
- [3] Research on the Evaluation and Planning Response of Community Life Circle Based on the Perspective of Supply and Demand Coupling. The National Natural Science Foundation of China, 2021-2023 (PI)
- [4] Research on China's Urban and Rural Community Governance and Service System under the New Development Concept. Key Project of the National Social Science Foundation, 2021-2025 (sub-task leader)
- [5] Migrants' Housing Demand and Planning Responses in Megacities. Open Project of Beijing Outstanding Young Scientist Program, 2021-2022(PI)
- [6] Transitional Towards Urban Sustainability through Socially Integrative Cities in the EU and in China, Horizon 2020 Research & Innovation Program, European Union, 2017-2021(key member)
- [7] Housing of Immigrants in US. Research Project of Special Program for Urban and Regional Studies, Department of Urban and Regional Studies, MIT, 2017-2018 (PI)
- [8] Evaluation of Impact of Zoning on Community Development. Research Project of New York City, Department of City Planning, 2018-2018 (Joint PI)
- [9] Study on Migrant's Integration from a Spatial Perspective. National Social Science Fund of China, 2016-2018 (PI)
- [10] Study on Governance of Migrants' Working Place in Megacities in the Context of Decentralization. Humanity and Social Science Research Youth Foundation of China's Ministry of Education, 2016-2018 (PI)
- [11] Study on the Population Policy in Beijing under the Context of Coordinated Development between Beijing, Tianjin and Hebei Province. Beijing Outstanding Young Talent Funding, 2016-2019 (PI)
- [12] Study on Forming Mechanism and Social Governance of Migrants' Settlements in Beijing. Social Science Foundation of Beijing, 2015-2017 (PI)
- [13] Human Settlements and Social Stability Assessment and Community Reconstruction under the Unconventional Emergency Circumstances. Sub-task of Key Project of National Natural Science Foundation of China, 2013-2016 (PI)
- [14] Study on Social Structure and Class Change. Key Project of the National Social Science Fund of China, 2015-2016 (sub-task leader)
- [15] Study of Multi-Urbanization Development Strategy in China. Key Project of the National Social Science Fund of China, 2010-2012 (sub-task leader)
- [16] Assessment Modeling of Urban Energy Consumption and Carbon Emissions based on Spatial Structure and Form. National Natural Science Foundation of China, 2014-2017 (sub-task leader)

- [17] The Third Report on the Rural and Urban Spatial Development Planning Study for the Capital Region (Beijing, Tianjin and Hebei). 2010-2013 (sub-task leader)
- [18] History of Human Settlements of China. 2010-2013 (sub-task leader)
- [19] Research on the Functional Evolution in Mega-cities. Beijing Municipal Government, 2013-2014 (sub-task leader)
- [20] ‘Nearby Urbanization’ and ‘In situ Urbanization’ Mode in China. Center for Industrial Development and Environmental Governance, Tsinghua University, 2013-2015 (sub-task leader)
- [21] Comparative Study of Social Risk Perception and Social Management between China and Korea. Asia Research Center in Tsinghua University, 2012-2014 (key member)
- [22] Research on the Population Migration and Civilization in Urbanizing China. Chinese Academy of Engineering, 2011-2013 (key member)
- [23] Regional Design of Capital Region in Ancient China: A Case Study of Beijing-Tianjin-Hebei Region. First Class General Financial Grant from China Postdoctoral Science Foundation, 2011-2012 (PI)
- [24] Influence of information technology on Society and Culture. Chinese Ministry of Industry and Information Technology, 2011-2012 (sub-task leader)
- [25] China’s Urbanization and Labor Migration Survey. National Project 985, 2009-2013 (sub-task leader)

PLANNING PROJECTS

- [26] Wuzhen Historic Town Conservation Plan (Revision): Study on Population, Industry and Public Service Facilities. China Academy of Urban Planning & Design, 2026 (PI)
- [27] Governance of Electric Bicycle Charging Facilities in Public Spaces of the Capital City. Tsinghua University Institute for Urban Governance and Sustainability, 2025-2026 (PI)
- [28] Research on Built Environment Quality Improvement of Beijing Financial Street. Beijing Financial Street Service Bureau, 2025 (PI)
- [29] Research on Social Development Indicator System of Chaoyang District, Beijing. Chaoyang District Social Work Department, Beijing, 2025 (PI)
- [30] Research on Coordinated Development Strategy of Xishan Mountain-Yongding River Region (Special Study on Riverside Economy). Mentougou Branch of Beijing Municipal Commission of Planning and Natural Resources, 2025 (Project leader)
- [31] Study on Village Renewal in the Xiaohe River Industrial Park. Management Committee of Shanxi Transformation and Comprehensive Reform Demonstration Zone, 2024 (PI).
- [32] Conceptual Urban Design for Renewal of Beige Town in the Xiaohe River Industrial Park. Committee of Shanxi Transformation and Comprehensive Reform Demonstration Zone, 2024 (PI)
- [33] Consulting Services by University Partner of District and Township Chief Planners in Haidian District. Beijing Municipal Commission of Planning and Natural Resources Haidian Branch, 2019–2025 (Xisanqi Sub-district)
- [34] Innovation Mechanism of Chaoyang District in the Context of Urban Renewal. Research Office of Chaoyang District Government, Beijing, 2023 (PI)
- [35] Evaluation of Urban Planning of China. Department of Building Energy Conservation and Technology, Ministry of Housing and Urban-Rural Development, 2022 (Participation)
- [36] Comprehensive Upgrading Plan of Mayu Area. Guangning Sub-district, Shijingshan District,

Beijing, 2022 (PI)

- [37] Evaluation and Dissemination of Low-Carbon Travel Environment in Community Life Circle. China Sustainable Transportation Center, 2022 (Survey lead)
- [38] Research on Urban Regeneration Strategy in Xisanqi Area. Xisanqi Sub-district Office, Haidian District, Beijing, 2022 (PI)
- [39] Research on Winter Olympics Community Planning and Governance. Guangning Sub-district Office, Shijingshan District, Beijing, 2021 (PI)
- [40] Investigation on social cognition and demand of underground space in Beijing Old Town. Beijing Institute of Urban Planning and Design, 2021(PI)
- [41] Planning and Design Guidelines of Comprehensive Improvement of Qinghe Riverside. Haidian Branch of Beijing Municipal Commission of Planning and Natural Resources, 2021 (Project initiator, joint-PI)
- [42] Evaluation of Urban Planning of China. Department of Building Energy Conservation and Technology, Ministry of Housing and Urban-Rural Development, 2021 (Participation)
- [43] Post-Occupancy Evaluation on Public Place-Making and Built Environment in the Future. Tsinghua University-Toyota Joint Research Institute Funding Project, 2021 (Sub-Project Leader)
- [44] Special Research on Strategy and Implementation Evaluation of China's Future Cities 2030. Tsinghua University-Toyota Joint Research Institute Funding Project, 2020 (Participation)
- [45] Planning and Design of Good Human Settlements. Tsinghua University-Toyota Joint Research Institute Funding Project, 2020 (Sub-Project Leader)
- [46] Internal Work Camp of Land and Spatial Planning for the Demonstration Zone of Eco-Green Integrated Development of Yangtze River Delta. Shanghai Municipal Planning and Natural Resources Bureau, Natural Resources Department of Jiangsu Province, Natural Resources Department of Zhejiang Province, etc., 2019 (Participation)
- [47] Research on Social Participation Mechanism of Urban Management. Urban Management and Supervision Bureau of the Ministry of Housing and Urban-Rural Development, 2019 (key member)
- [48] Comprehensive Urban Design and Detailed Urban Design of Key Areas for Beijing Sub City Center. 2016 (sub-task leader)
- [49] Urban Landscape Planning for the Capital Steel Park, Beijing. 2015-2016 (key member)
- [50] Special Study on Nantai Island in Fuzhou New district, Fujian Province. 2016 (sub-task leader)
- [51] Village Planning for Tayuan Village and Lianhe Village, Jixian County, Tianjin. 2015-2016 (project leader)
- [52] Spatial Development Strategy for Changping district, Beijing. 2013-2014 (sub-task leader)
- [53] Culture Route Planning for East Route of Mt. Panshan Scenic Area, Jixian County, Tianjin. 2013-2014 (project leader)
- [54] Landscape Protection Planning for Dianchi Lake Basin, Kunming. 2011-2012 (sub-task leader)
- [55] Guangzhou Population Development Strategy. 2010-2011 (sub-task leader)
- [56] Conservation Planning for Jingji Mountain Resort, Jixian County, Tianjin. 2007-2008 (project leader)
- [57] Spatial Development Strategy for Jixian County, Tianjin. 2007-2008 (sub-task leader)
- [58] Architectural Environment Planning for the Middle Route of South-to-North Water Diversion.

2006-2007 (key member)

[59] Design for Dream of Red Chamber Museum, Nanjing, 2003-2010 (key member)

PUBLIC SERVICE

Committee Member of Academic Working Committee of Urban Planning Society of China
Committee Member of Planning Implementation Branch of Urban Planning Society of China
Committee Member of Urban Renewal Branch of Chinese Society for Urban studies
Committee Member of the Women Planners Committee of China Association of City Planning
Committee Member of Urban Design Branch of Architectural Society of China
Committee Member of Community Studies Committee of Chinese Sociological Association
Committee Member of Resource Activation and Urban Regeneration, Chinese Society of Natural Resources
Youth Committee Member of Housing and Community Planning of Urban Planning Society of China
Expert Committee Member of Non-Motorized Transportation Branch of China Urban Public Transport Association
Young Expert Member of Rail Transit Branch of Chinese Society of Civil Engineering
Committee Member of Beijing Sociological Association
Member of 'Transportation and Public Health' Technical Committee of 2018 World Transportation Convention
Think Tank Expert for High-Quality Social Work Development, Chaoyang District, Beijing
Urban Planning International, Young Editorial Board Member
Chief Planner of Xisanqi Sub-district, Haidian District, Beijing
Reviewer of Journal of Planning Literature, Environment and Planning B, Journal of Urban Affairs, Habitat International, Transport Policy, Journal of Asian Architecture and Building Engineering, Mitigation and Adaptation Strategies for Global Change, Sustainable Cities and Society, China City Planning Review, Journal of Urban and Regional Planning, Urban Planning International, Journal of Human Settlements in West China, South Architecture, World Architecture

HONORS AND AWARDS

- Research Awards

2025, Nomination Award, Jin Jingchang Outstanding Papers in Urban Planning (2/6)
2016, Outstanding Young Talent of Beijing
2015, First Prize, Outstanding Achievements of Scientific Research in Universities (humanities and social sciences), Chinese Ministry of Education (3/52)
2014, Second Prize of Best Paper Award, Chinese Sociological Association (1/1)
2013, Honorable Mention, National Youth Urban Planning Paper Competition, Urban Planning Society of China (1/1)
2013, Best Paper Award, Urban Geography Research Committee, Chinese Geographical Society, (1/1)
2011, Honorable Mention, National Youth Urban Planning Paper Competition, Urban Planning Society of China (1/1)
2009, Third Prize, National Youth Urban Planning Paper Competition, Urban Planning Society of China (1/1)

- Teaching Awards

2026, Outstanding Master's Thesis, Tsinghua University (advisor)
2025, Tsinghua University Exemplary Course (Planning Research Methods)
2025, First Prize, Beijing Higher Education Teaching Achievement, Beijing Municipal Education Commission (7/15)
2024, Outstanding Advisor, National Urban and Rural Planning Graduation Design (Thesis) Competition
2024, First Prize (Undergraduate Category), National Urban and Rural Planning Graduation Design (Thesis) Competition (advisor)
2024, Third Prize (Graduate Student Category), National Urban and Rural Planning Graduation Design (Thesis) Competition (advisor)
2023, Second Prize (Undergraduate Category), National Urban and Rural Planning Graduation Design (Thesis) Competition (advisor)
2022, Excellent Union Member of Tsinghua University
2021, First Prize, Tsinghua University SRT Program Excellent Project (advisor)
2020, Outstanding Master's Thesis, School of Architecture, Tsinghua University (advisor)
2020, Outstanding Online Teaching Award, Tsinghua University
2019, First Prize, Best Teaching Plan Award, Best Performance Award, Most Popular Award, Young Teachers' Teaching Competition in Beijing Universities
2018, First Prize, Beijing Higher Education Teaching Achievement, Beijing Municipal Education Commission (7/11)
2018, First Prize, Tsinghua University Young Teachers' Teaching Competition
2016-2023, 14 awards, National Social Comprehensive Investigation and Research Competition; International Competition for Urban Sustainability Research Report (joint advisor)
2013-2015, First Prize and Second Prize, National Cardboard Architectural Design and Construction Competition (joint-advisor)
2005, Honorary Mention, College Student Competition of Concept Design of Expansion Project of the Memorial Hall of the Victims in the Nanjing Massacre by Japanese invaders (advisor)

- Practice Awards

2025, Second Prize, National Community Garden Design & Construction Competition and Community Engagement Initiative (joint advisor 1/3)
2025, First Prize, Beijing Outstanding Territorial Spatial Planning Award (14/15)
2024, First Prize, Excellent Technical Achievements of Tianjin Urban Planning Industry (17/20)
2023, First Prize, Beijing Municipal Excellent Engineering Survey and Design Achievements (3/8)
2023, Second Prize, Beijing Municipal Excellent Urban and Rural Planning (19/20)
2022, Beijing Urban Regeneration Excellent Practice (Architectural Design 1/4)
2020, Excellent Chief Planner of Beijing
2019, Excellent Chief Planner of Haidian District, Beijing
2016, Silver Architectural Creation Award (Urban Design), Architectural Society of China (9/15)
2016, Winning Prize, Competition of Comprehensive Urban Design and Urban Design of Key Areas of Beijing City Sub-center, Beijing Municipal Commission of Planning and Natural Resources, Tongzhou District People's Government of Beijing Municipality (sub-task leader)

2011, First Prize, Excellent Urban and Rural Planning Projects, Beijing Municipal Commission of Urban Planning (18/20)

2006, Honorary Mention, 'Celebration of Cities 2' UIA International Ideas Consultation (2/2)

2004, Second Prize, 'Celebration of Cities' UIA International Ideas Consultation (China-Region) (1/2)
